¹This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members are no longer subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Even when the deductible is met, member will still pay 100% coinsurance for select benefits until the out-of-pocket maximum has been met. Once the out-of-pocket maximum is met, there is no charge for covered services.

³Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

⁴Deductible is waived for first three visits combined for non-preventive primary care, specialty care, urgent care, and individual mental/behavioral health and substance use disorder services.

⁵Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

⁶Scheduled prenatal visits and the first postpartum visit

⁷Well-child visits through age 23 months

⁸Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.
