[1]This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible, or when the family deductible is satisfied. Individual family members are no longer subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

[2]Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

[3]Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

[4]Scheduled prenatal visits and the first postpartum visit

[5]Well-child visits through age 23 months

[6]Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

[7]Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays. For information on our formulary, including the drugs on the specialty tier, go to kp.org/formulary or call our Member Service Contact Center.

[8]Please refer to the *Evidence of Coverage* for information on what is included in your DME benefit. Coverage is limited.

[10]Kaiser Permanente members are entitled to a 20% discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts may not be combined with any other Health Plan vision benefit. The discounts will not apply to any sale, promotion, or packaged eyewear program; for any contact lens extended purchase agreement; or to low-vision aids or devices.
