¹This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible, or when the family deductible is satisfied. Individual family members are no longer subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

³Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

⁴Scheduled prenatal visits and the first postpartum visit

⁵Well-child visits through age 23 months

⁶Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

⁷Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays; please refer to the *Evidence of Coverage* for detailed information about prescription drug copays. Specialty drugs are high-cost drugs that are on our specialty drug list. To obtain a list of specialty drugs that are on our formulary, or to find out if a non-formulary drug is on the specialty drug list, please call our Member Service Contact Center.
